

2025 NATIONAL PUBLIC HEALTH WEEK

APRIL 7-13 2025

IT STARTS HERE

ARTS, HEALING, & WELLNESS EVENT

A family-friendly event to showcase local art and wellness services/resources offered by the Whittier Wellness Community and local community partners.

The Whittier Wellness Community is committed to promoting community well-being by providing a range of **free services and resources** focused on mental health, self-care, and disease prevention. As one of the County's eight wellness communities, it offers tailored health and wellness workshops, along with mental health and substance abuse support, to meet the unique needs of the community.
